Dear, Nili! The head of the BDK is a part of the problem. He is a stubborn person with an exaggerated sense of responsibility for proper (bureaucratic) procedures when it comes to financial issues. The way things are going to move efficiently is that the PM tells Bishimbaev who tells Jamishev. That is a temporary solution. Permanent solution is to arrange that in future annual reports to be submitted by the office of Guzenbauer including on behalf of Ehud. That's what should be raised with the PM. Cheers.
